

CITY OF KINGMAN COMMUNICATION TO COUNCIL

TO: Honorable Mayor and City Council

FROM: Jamie Curreri

MEETING DATE: November 4, 2025

AGENDA SUBJECT: Approval of Change Order and Reallocation of Funds for Kingman Police Department Projects

SUMMARY:

During demolition of the KPD men's locker room and showers, KPD identified several design adjustments to improve functionality and space utilization within the existing footprint. The revised scope includes plumbing and electrical realignments, removal of two showerheads, replacement of shower tile, improved ADA accessibility, addition of a small locker/changing area and storage room, relocation of a doorway for hallway access, and reconfiguration of existing lockers. These modifications will enhance efficiency, accessibility, and overall usability of the facility.

The proposed design changes require a reallocation of project funds to accommodate the updated scope of work. Staff is requesting a reallocation of \$76,029 from the KPD Awning Project to the KPD Restroom Project to fund the revised improvements. This reallocation will reduce the KPD Awning Project budget from \$340,000 to \$263,971 and increase the KPD Restroom Project budget from \$317,000 to \$393,029. This adjustment ensures sufficient funding to complete the updated restroom and shower improvements while maintaining adequate budget for the awning project.

FISCAL IMPACT:

There will be a fiscal impact of \$76,029 to the Capital Projects Fund.

STAFF RECOMMENDATION:

Approve change order and reallocation of funds.

SUGGESTED MOTION:

Staff recommends approval.
