AGENDA SUBJECT: Amendment to the Contract Between KRMC and City of Kingman for Kingman Firefighter Cancer Screenings

SUMMARY:

At the May 20, 2025 Council meeting, the City Council approved a contract between Kingman Healthcare, Inc dba Kingman Regional Medical Center and City of Kingman to utilize Assistance to Firefighters Grant (AFG) funds for all 52 firefighters to receive a full-body skin exam and an oncology exam. In addition, all firefighters over the age of 40 are to receive a whole-body MRI, a low-dose lung CT scan, and a urology and prostate cancer screening.

There will be no fiscal impact. The additional screenings will be fully covered by the grant.

STAFF RECOMMENDATION:

Staff recommends City Council approve the amendment to add three additional firefighters and increase the contract by \$11,160.
