SUMMARY:

The Kingman Police Department, acting as a member of the Mohave Area General Narcotics Enforcement Team (MAGNET), seeks approval of Resolution No. 5578 authorizing the Chief of Police and City Attorney to execute a Memorandum of Understanding (MOU) with the Department of Homeland Security Investigations (HSI).

The MAGNET Executive Board has approved this MOU, which establishes an investigative partnership between MAGNET and HSI to address the increasing complexities of disrupting Drug Trafficking Organizations (DTOs) operating within the task force's area of responsibility. These organizations are often tied to both narcotic and human trafficking networks involving foreign nationals.

This partnership will strengthen the collaborative capabilities of MAGNET and its member agencies, enhance intelligence sharing and investigative resources, and improve the region's overall capacity to identify, investigate, and dismantle transnational criminal organizations—ultimately making our communities safer.
