

CITY OF KINGMAN COMMUNICATION TO COUNCIL

TO: Honorable Mayor and City Council

FROM: Robert Petrillo

MEETING DATE: April 7, 2026

AGENDA SUBJECT: Approval of Award of Bid 2026-IFB-003, Flying Fortress Parkway Phase II

SUMMARY:

Approval of Award of Bid 2026-IFB-003, Flying Fortress Parkway Phase II - City Engineer recommends award to Perco Rock Co., low bidder on Pavement Section Alternate 2 (PCC pavement on Flying Fortress Parkway and AC pavement on Airway Avenue), at \$18,194,134.00. Six bids were received from contractors, each bidding on three pavement section alternates:

Alternate 1: Asphaltic Concrete (AC) pavement on both Flying Fortress Parkway and Airway Avenue. Low bidder was Perco Rock at \$15,791,100.00

Alternate 2: Portland Cement Concrete Pavement (PCCP) on Flying Fortress Parkway and AC Pavement on Airway Avenue (Preferred Alternate). Low bidder was Perco Rock at \$18,194,134.00

Alternate 3: PCCP on both Flying Fortress Parkway and Airway Avenue. Low bidder was FNF Contracting at \$20,709,060.75

Alternate 2 was selected as the preferred alternate, due to PCCP's superior durability and minimized expected maintenance costs on Flying Fortress Parkway, which is anticipated to carry significant amounts of heavy truck traffic. Truck traffic on Airway Avenue is not expected to approach the level on Flying Fortress Parkway. Alternate 2 fits within the available funding, whereas Alternate 3 (PCCP on both Flying Fortress Parkway and Airway Avenue) strains the city's funding capacity.

FISCAL IMPACT:

Airway Avenue from Prospector Street to Flying Fortress Pkwy. 31751117 - \$6,501,850 - FY26

Flying Fortress Pkwy from Grand Canyon Road to Airway Avenue. 31751134 - \$7,006,000 - FY26

This project has been budgeted within the CIP Fiscal Year 2026.

STAFF RECOMMENDATION:

Staff recommends award of the contract to Perco Rock Co. for the sum of \$18,194,134.00.

SUGGESTED MOTION:

Move to award the contract to Perco Rock Co. for the sum of \$18,194,134.00 for the Flying Fortress Parkway Phase II.
