TO: Honorable Mayor and City Council

FROM: Sheri Furr

MEETING DATE: November 4, 2025

AGENDA SUBJECT: Authorization for Transit Management System Service Agreement

SUMMARY:

Kingman Area Regional Transit (KART) is seeking the City Council's approval to enter into a twenty-four-month service agreement with Zonar Systems for continued monthly servicing of the existing onboard transit management system, which includes digital video recording (DVR) surveillance, automated vehicle locators (GPS/AVL), automated passenger counters (APC), and a mobile app for a total amount of \$53,268.48, plus taxes. This is an approved purchase in the Transit Fund in the FY2025-26 Adopted Budget and Capital Improvements Plan. It is important to note that this particular purchase, while impacting the Transit Fund, will be 58% funded with federal grant monies.

FISCAL IMPACT:

The fiscal impact over a 24-month period is up to \$53,268.48, plus taxes, and will be paid from the Transit Fund. The Formula Grants for Rural Areas Funding Program (49 U.S.C. 5311) will reimburse this expense at 58%.

Staff recommends approval.
