

## **CITY OF KINGMAN COMMUNICATION TO COUNCIL**

**TO:** Honorable Mayor and City Council

**FROM:** Jack Plaunty

**MEETING DATE:** June 2, 2026

**AGENDA SUBJECT:** Authorization to Purchase a New Trailer-Mounted High-Pressure Sewer Cleaner for Wastewater Operations

---

### **SUMMARY:**

This agenda item is for consideration and approval for the purchase of a new trailer-mounted high-pressure sewer cleaner. The existing unit is currently the only unit of its type and is 11 years old. An additional unit will allow for continuity of service during maintenance and repairs. It will also allow crews to meet the growing need for sewer cleaning as sewer infrastructure expands and ages. This purchase will be made utilizing the Sourcewell Contract #101221-SCA.

A wood chipper was approved for purchase in the FY26 Adopted Budget and 5-Year Capital Improvement Plan. However, due to changing operational needs of the division, a new trailer-mounted high-pressure sewer cleaner is needed, and the wood chipper is not. The budgeted amount is \$180,000 in the Wastewater Fund. The quoted amount is \$158,534.87, including city sales tax, and will be paid from the Wastewater Fund.

### **FISCAL IMPACT:**

There will be a fiscal impact of \$158,534.87 to the Wastewater Fund.

### **STAFF RECOMMENDATION:**

Staff recommends approval.

### **SUGGESTED MOTION:**

Move to authorize the purchase of a trailer-mounted high-pressure sewer cleaner for Wastewater Operations.
