

CITY OF KINGMAN COMMUNICATION TO COUNCIL

TO: Honorable Mayor and City Council

FROM: Mike Meersman

MEETING DATE: April 21, 2026

AGENDA SUBJECT: Approval of Kingman Little League Scoreboards Donation

SUMMARY:

The Kingman Little League (KLL) would like to donate four New Score boards for fields 1,2,3 and 4 at Southside Park 1001 Buchanan, at the cost of \$24,321.60. This most recent investment by KLL is slated to replace the older, 'incandescent bulb' scoreboards that are currently being used on these fields. These more reliable and energy efficient LED scoreboards will last much longer and offer the wireless control feature for scorekeepers to operate them, increasing productivity for our Youth Leagues and Tournaments.

The City of Kingman and the Kingman Little League are proud of their decade's old partnership. The Parks and Recreation Department has received thousands of dollars in donated equipment and materials from the Kingman Little League for much needed improvements to the facilities over the years. These improvements have allowed the City to successfully host some of the largest and most successful Youth Baseball Tournaments and leagues in the region, helping this facility to win numerous awards along the way.

Staff Recommends accepting the donation of the four new scoreboards to replace the aging, inefficient and unreliable units at Southside Park, fields 1,2,3 and 4.
