

CITY OF KINGMAN COMMUNICATION TO COUNCIL

TO: Honorable Mayor and City Council

FROM: Burley Hambrick

MEETING DATE: October 7, 2025

AGENDA SUBJECT: Approval of Hilltop Wastewater Treatment Plant (HTWWTP)
Chlorine Room Upgrades Project

SUMMARY:

This agenda item is for consideration and approval of chlorination system improvements for the HTWWTP Chlorine Room. This project would install the previously purchased Chlorine Room Equipment. A Job Order Contract (JOC) and Felix Construction Company will be utilized. The project will remove existing antiquated equipment and install new scale, switchover system, smart valves, metering assemblies, injectors, detectors, manifolds, emergency equipment, and startup of the new system. This project will help ensure wastewater quality, system efficiency, and operator safety. This is an approved project with a budget of \$500,000 in the adopted FY26 budget.

FISCAL IMPACT:

There will be a fiscal impact of \$219,298.68 to the Wastewater Capital Renewal Fund.

STAFF RECOMMENDATION:

Staff recommends approval.

SUGGESTED MOTION:

Move to approve this project to replace the antiquated existing Chlorine room system with new equipment at the HTWWTP.
