SUMMARY STATEMENT

City Council authorized the use of $70,000 in rental assistance as a part of its affordable housing strategy in the 2025-2026 budget. Housing Health and Human Services would like to use $7,200 of this budgeted amount, in 2026, to offset rental costs for residents of Gambit Recovery's new recovery residence in Poulsbo. (An additional $7,200 will be requested as part of the 2027 budget.) All rental assistance will be used to assist individuals whose income is at or below 60% of area median income who are engaged in recovery efforts.

Council is being asked tonight to approve a Resolution that will provide this rental assistance contingent on eligibility and reporting requirements being met.
