SUMMARY STATEMENT

The Complete Streets Curb Ramp Upgrade project was completed in June of 2025 and staff is seeking acceptance of the project.

The City received 6 bids for this project ranging from $465,010 to $763,616. Asphalt Patch Systems, Inc was the lowest bidder for the project with a bid of $465,010.

The project constructed curb ramp upgrades throughout town including crosswalks, re-striping, and other safety improvements at 32 locations on Front Street, Iverson Street and Caldart Avenue, replacing/upgrading 29 ramps and installing 3 new ramps.

There was one change order issued for this project in the amount of $19,870 - approximately 4% of the contract value. The project was successfully completed with a final construction cost of $473,180.

The project was completed ahead of schedule and was under budget for the overall project budget.
