SUMMARY STATEMENT

Leadership Kitsap is working with a local church to bring a safe park, or rest park, to Poulsbo. This rest park will provide a safe place to sleep for 5-8 individuals living in their vehicles. Screening services for this park and peer support services will be provided by the Recovery Resource Center. All individuals using the rest park will be active members of the Recovery Center or Recovery Cafe.

Housing, Health and Human Services staff Kim Hendrickson and Summer Anderson will give an update to Council on the rest park program and discuss Leadership Kitsap's budget request for $7050. Council is being asked to approve an Overnight Vehicle Parking Rest Park Screening Program Service Agreement with the church hosting the rest park.
