SUMMARY STATEMENT

Jeff Barney and Andrea Pierantozzi from Recreational Boating Association of Washington (RBAW) will be providing an update on the West Sound Mobile Pumpout Program Partnership. The City currently has a contract with RBAW for pumpout services, that is set to expire in 2026.

RBAW is seeking an additional three-year contract with an increase in funding support. The existing contract is for $5,000 annually, and due to program demand having exceeded original assumptions and increased operating levels and costs, they are seeking an annual commitment of $8,118 for three years, to be used as match to a CVA grant ($292,240). Funding has come from stormwater fees.
