BUSINESS AGENDA ITEM NO. 9.b

MEETING DATE: April 15, 2026

AGENDA ITEM	Resolution No. 2026-05 - Downtown Paid Parking
EXHIBITS	2026-05 Downtown Paid Parking 2025-03 Downtown Parking Implementation
STAFFED BY	Wright
ESTIMATED TIME	15 mins

SUMMARY STATEMENT

On March 11, 2026, the majority of City Council affirmed the timing in Resolution 2025-03 (attached)to implement paid parking in summer 2026, preferably by June 1 (if possible). On April 1, 2026, the majority of City Council agreed on the specifics of implementing paid parking including where, how much, what days and duration. Council also discussed how to spend revenue from the program as well as additional implementation specifics such as working with seniors and continuing to build the employee parking program. The Resolution captures the items completed from Resolution No. 2025-03, Council's direction to implement paid Parking and the associated program framework, anticipated use of revenue and administrative implementation.
