POULSBO CITY COUNCIL AGENDA SUMMARY

WORKSHOP AGENDA ITEM NO. 10.c

MEETING DATE: October 8, 2025

AGENDA ITEM	Presentation: Special Event Permits and Public Gatherings
EXHIBITS	Council Update - Special Event Permit Gathering Discussion - 10.2.25
STAFFED BY	Ozimek
ESTIMATED TIME	20 mins

SUMMARY STATEMENT

In the past several years, special events held within City limits have continued to increase in number, from 14 events in 2021 to nearly 40 events in 2025. This growth in special events has resulted in elevated impacts on City resources, including turf impacts to Muriel Iverson Williams Waterfront Park. Staff were directed to research solutions and return with recommended proposals for Council's consideration.

This presentation provides an update of the ongoing work.
