SUMMARY STATEMENT

On May 7, 2025, one of our patrol vehicles (2023 Ford Explorer) successfully applied a PIT Manuever to stop a non-yielding vehicle. The ensuing damage to the patrol vehicle resulted in a necessary repai at an expense of $6,650. WCIA (city insurance) has reimbursed the city for the amount of repairs less our $1,000 deductible. This budget amendment is to recognize the insurance recovery received of $5,650 and increase the expenditure budget accordingly. This repair has been completed and the vehicle has returned to service.
