For March 20, 2024, these chapters include:

- *Introduction Chapter:* The Introduction Chapter provides the vision statement, guiding principles, and community key goals. In addition, the chapter outlines the planning context, public engagement, and organization of the document. The vision statement and guiding principles were drafted for the 2009 comprehensive plan update following an extensive community engagement. The language was “refreshed” for the 2016 update. The [Planning Commission reviewed](#) Chapter 1 on May 10, 2022, May 24, 2022, May 9, 2023, and June 13, 2023
- *Land Use Chapter:* The Land Use Chapter is a component of the Comprehensive Plan that establishes goals and policies to guide City decision making regarding regulation of land uses. The Land Use Chapter is made up of goals, policies, and a Land Use Map. Goals state the objectives that the policies are intended to achieve. The Policies establish direction for how the City will work to achieve the goals. The Land Use Map will be provided for review at a later date. The [Planning Commission reviewed](#) Chapter 2 on August 8, 2023, and January 24, 2024.
