SUMMARY STATEMENT

In June 2026, the Poulsbo Police Department was awarded a grant from the Washington State Attorney General's part of the Sexual Assault Kit Initiative (SAKI) project. The grant award provides $5,325.00 in funding for the purcl refrigeration unit to securely store evidence collected during sexual assault investigations. The department has p and placed into service a Scientific Laboratory 15.4-cubic-foot upright refrigerator for this purpose. This budget a recognizes the grant revenue and appropriates the corresponding expenditure to accurately reflect the receipt ar these grant funds.
