SUMMARY STATEMENT

Poulsbrew is a community special event that features local craft brewers, food, and live music, the only stipulation is that the event is 21 and over, no exceptions (including infants). The event organizer would reserve the parking spots up against the North end of the park for Vendor and Staff parking. The move of Poulsbrew 2024 & 2025 to the Muriel Williams Waterfront Park was successful and they would like to seek council approval to again host Poulsbrew as a beer garden and fenced in area for their 2026 event. Poulsbo Chamber of Commerce is hosting this Special Event on Saturday, September 19, 2026. A special occasion liquor license will be obtained through the Washington State Liquor and Cannabis Board for September 19, 2026.

In the Poulsbo Municipal Code (PMC) Chapter 12 Park Regulations (12.30.080) - "A beer garden, in conjunction with a special event, may be allowed by the city council through special exception only." In order to host a beer garden at MIWP, the event organizers need Council approval.
