SUMMARY STATEMENT

The Engineering Department is applying for a Recreation Conservation Organization (RCO) grant for the South Fork Dogfish Creek Culvert Replacement Construction project, also known as the 8th Ave Culvert project.

The 8th Avenue Culvert is currently in design funded by RCO and this grant application is for construction. The proposed grant is for $1,250,000 and the City match from reserves is 15%. Funding is anticipated for 2027-2029. The project is programmed in the City Stormwater CIP for 2027.

The grant application is due January 26th, 2026 and the RCO resolution is a necessary component in the application process. The City most recently applied for the grant program in 2022.
