SUMMARY STATEMENT

As discussed at the January 14, 2026 City Council meeting, WSDOT is continuing to work on planning for the Kitsap County Fish Barrier Removal projects and is requesting a pedestrian and bicycle detour agreement with the City.

The detour agreement is associated with the two barrier removal projects that are scheduled to have SR307 closed for the project duration in 2027.

The proposed detour agreement is attached and has been reviewed by the City Attorney.
