POULSBO CITY COUNCIL AGENDA SUMMARY

BUSINESS AGENDA ITEM NO. 9.b

MEETING DATE: August 19, 2026

AGENDA ITEM	Front Street Reconstruction - Survey Consultant Contract
EXHIBITS	Task Order#5 -Front Street Survey & Basemap
STAFFED BY	Ranes
ESTIMATED TIME	5 mins

SUMMARY STATEMENT

Staff will present the scope and budget for Psomas to complete a topographical survey of Front Streets as part of the reconstruction project. This effort will be utilized for design and will support the public charette process. Psomas is currently an on-call surveyor for the City. The survey will include surface features, underground utilities, and other important elements.

The area to be surveyed is described within the scope and covers Front Street between King Olaf Parking Lot to the Front street, Hostmark, Fjord intersection and includes a portion of side streets adjacent to Front Street.

The survey cost is $116,602 and will be paid 50% by Transportation traffic impact fees and 50% by the Water utility reserves.
