STAFFED BY	Eckert
ESTIMATED TIME	10 mins

SUMMARY STATEMENT

Councilmember Eckert would appreciate his colleagues considering a budget amendment and authorization to purchase and install American flag light pole banners for the month leading up to the Veterans' Day holiday.

Based on the cost of the Pride Banners, a proposal to appropriate and expend up to $4,000 on the creation of 25 American Flag banners ($500 for banner design, $1,500 for banner printing, $1,500-$2,000 for labor) is before council. If there is Council concurrence, a budget amendment will be placed on the 8/20/25 agenda for action so that work can begin on the design and printing in advance for October installation.
