SUMMARY STATEMENT

The attached Draft PMC 13.12 - Irrigation Regulations includes revisions and clarifications proposed by Council at the July 8 workshop. The proposed code section will replace existing PMC Chapter 13.12 in its entirety and will provide irrigation regulations and conservation measures to align with best practices.

The attached draft PMC 13.12 (Edits) includes the proposed changes in red text and the revisions from the council workshop are in blue text.

The attached draft PMC 13.12 (Clean) is a cleaned-up version of the text with all edits incorporated.

The revisions include additional definitions for clarity, exemptions outlined more clearly and more broadly defined, revisions to hours and odd-even day restrictions, a reference to PMC 2.60 for Mayor Emergency Declarations, and minor text corrections.
