

REPORT TO THE BOARD OF MAYOR & ALDERMEN

DATE: October 27, 2025

FROM: John M. Selberg, Fire Chief

SUBJECT: Purchase of Replacement Generator for Firehouse #5

INTRODUCTION:

This agenda item seeks authorization to purchase a replacement generator for Firehouse 5.

BACKGROUND:

The generator at Firehouse 5 was discovered to be inoperable in February 2025. Both the Town's maintenance department and a private contractor have determined the generator is unrepairable due to its age and the lack of available replacement parts.

DISCUSSION:

A quote for a replacement generator has been obtained from Thompson Energy Solutions utilizing the Sourcewell Co-op contract. The new generator will provide full backup power for the entire facility. The Fire Department will coordinate the installation with Facility Services and the Town's electrician.
