

REPORT TO THE BOARD OF MAYOR & ALDERMEN

DATE: October 12, 2026

FROM: Dale Lane, Police Chief

SUBJECT: Acceptance of (\$68,000) for the 2027 Tennessee Highway Safety Office Multiple Violations and Impaired Driving Grant

INTRODUCTION:

The purpose of this agenda item is to request approval from the Board of Mayor and Aldermen to accept the 2027 Tennessee Highway Safety Office Multiple Violations Traffic and Impaired Driving Grant in the amount of \$68,000.00.

BACKGROUND:

In March of this year, the Tennessee Highway Safety Office asked law enforcement agencies in the state to apply for highway safety grants for 2027. CPD applied for a grant for equipment and overtime to enforce traffic laws which are the causative factor in Collierville traffic crashes and conduct saturation to detect impaired driving. The Department requested \$75,000.00 and was awarded \$68,000.00 for the following as grant compensation: radar units, overtime to conduct monthly traffic saturations and funding to travel to the THSO annual safety conference for training.

DISCUSSION:

Each year the Collierville Police Department strives to reduce traffic crashes and crash injuries suffered on our roadways. The Tennessee Highway Safety Office provides grant money to law enforcement agencies throughout the state to accomplish our crash reduction and the removal of impaired drivers from our roadway's goals. In March 2026, CPD requested a grant award to conduct traffic saturations, purchase radar units, and funds to attend the annual THSO training conference. The THSO fiscal year begins October 01, 2026, and ends September 30, 2027.

The THSO Staff evaluated the grant applications and awarded CPD \$68,000.00 to assist in the goal of reducing the number of traffic crashes, the injuries suffered in those crashes and detected impaired drivers. THSO grants are reimbursement grant funds and do not require any matching funds from the Town.

BUDGET IMPACT:

A budget amendment to appropriate the grant funds will be requested at a future time.
