

REPORT TO THE BOARD OF MAYOR & ALDERMEN

DATE: October 12, 2026

FROM: Dale Lane, Police Chief

SUBJECT: Acceptance of Donation (\$5,000) from the Collierville Citizens Police Association for the License Plate Recognition System

INTRODUCTION:

The Collierville Citizens Police Association (CCPA) applied for and received a \$5,000 community grant through the Shelby County Commission and the office of Commissioner David Bradford. The CCPA has offered these funds to the Town of Collierville to help fund the Police Department's license plate recognition (LPR) project. Acceptance of the donation requires approval by the Board of Mayor and Aldermen.

BACKGROUND:

The Collierville Police Department just finished transitioning its license plate recognition system from Rekor to Flock Safety. The project replaced the department's existing 28 LPR cameras and support continued access to technology used to investigate crimes, identify vehicles associated with criminal activity, and assist in locating missing or endangered persons.

To help offset the cost of the project, the Collierville Citizens Police Association applied for a community grant through the Shelby County Commission. Commissioner David Bradford's office awarded the CCPA \$5,000 to support the Police Department's LPR project. The CCPA now wishes to donate those funds to the Town for this purpose.

DISCUSSION:

The Collierville Citizens Police Association applied for a community grant through the Shelby County Commission to support the Police Department's continued use of license plate recognition technology. We request that the Town accept the donation and place the funds in account 110-42100-294.
