

REPORT TO THE BOARD OF MAYOR & ALDERMEN

DATE: February 9, 2026

FROM: Dale Lane, Police Chief

SUBJECT: Year Three Payment for the Five-Year AXON Body-Worn Camera Contract

INTRODUCTION:

The purpose of this agenda item is to request Board of Mayor and Aldermen approval to renew year three of the five-year contract with AXON Enterprise for body-worn cameras.

BACKGROUND:

In February of 2023, the Board of Mayor and Aldermen voted unanimously to allow the Town to utilize the RFP process in selecting a vendor to provide the Collierville Police Department with a body-worn camera system. That RFP process was completed with the assistance of the TOC Purchasing Department, with AXON Enterprise being chosen as the preferred vendor. That project went live in 2024 in the form of a five-year contract with AXON Enterprise after being vetted by the TOC Purchasing Department.

DISCUSSION:

This contract renewal covers the body cameras worn by members of CPD as well as the cloud storage and licenses required to use and extract data from the devices. Some of the licenses were upgraded in the form of a contract amendment in 2024 with the assistance of TOC Purchasing. The body camera's purpose is to enhance transparency and aid in documentation of police activities. We received a quote from AXON showing year three costs to be \$115,317.36, which covers all equipment, storage and maintenance of the 100 body cameras in use.

BUDGET IMPACT:
