REPORT TO THE BOARD OF MAYOR & ALDERMEN

DATE: November 23, 2026

FROM: Josh Russell, Public Works Director

SUBJECT: Contract Renewal for Retread Tires

INTRODUCTION:
The purpose of this agenda item is to approve the fourth and final renewal of the contract with Southern Tire Mart for the purchase of retread tires.

BACKGROUND:
The Fleet Maintenance Division has utilized recapped truck tires since October of 2003. The average new truck tire costs $479.00 and the average cost to recap a worn casing is $287.00. The estimated number of tires recapped per year is 265. Retread tires save the Town approximately $53,265.00 per year in replacement costs.

DISCUSSION:
On November 14, 2022, the Mayor and Board of Aldermen approved a twelve (12) month contract with Southern Tire Mart with an option to renew for four (4) additional twelve (12) month periods for a total of up to sixty (60) months. This request represents the fourth and final renewal of the contract.

Southern Tire Mart has performed satisfactorily over the past twelve months, and it is recommended by staff to extend this contract for an additional twelve (12) month period. There will be no increase in pricing for this renewal.

BUDGET IMPACT:
Each Department budgets separately for materials and services purchased from this contract.
