

REPORT TO THE BOARD OF MAYOR & ALDERMEN

DATE: May 11, 2026
FROM: Greg Clark, Parks, Recreation and Community Services Director
SUBJECT: Fifth Contract Amendment for Pyrotechnics Aerial Show

INTRODUCTION:

The purpose of this Agenda item is for the Board of Mayor & Aldermen to consider the approval of Contract Amendment #5 with Pyro Shows in the amount of \$5,400 to add two (2) additional special effects packages to the 2026 Independence Day Celebration fireworks show.

DISCUSSION:

In March 2026, the Board approved the fourth (4th) and final contract renewal with Pyro Shows to provide the Pyrotechnics Aerial Show for the 2026 Collierville Independence Day Celebration.

The Independence Day Celebration is scheduled to be held at HW Cox Park on Thursday, July 2, 2026. The existing contract includes a 16-17 minute choreographed aerial display consisting of approximately 9,786 shells in the display package. The approved contract price for the 2026 show is \$91,164.00.

With the proposed contract amendment, we are requesting a \$5,400 amendment to the Pyros fireworks contract to add two special effects: smoke mines and cold spark machines. The cold spark machines would be used at the beginning of the program during “America the Beautiful” to create a strong opening moment. The red, white, and blue smoke mines would be launched from a scissor lift in the baseball outfield between 7:45–8:00 p.m. as part of the Town’s expanded patriotic salute.

These enhancements are intended to elevate our annual Independence Day celebration as we honor America’s 250th birthday.

BUDGET IMPACT:

If approved, the item will be included and expended from the FY 2027 Budget.
