

REPORT TO THE BOARD OF MAYOR & ALDERMEN

DATE: March 23, 2026

FROM: John Fox, Public Utilities Director

SUBJECT: Review of Bids and Award of Contract for Sludge Hauling and Disposal

INTRODUCTION:

The purpose of this agenda item is to seek Board of Mayor and Aldermen approval of a contract with Waste Connections for the transportation and disposal of sludge, screenings and grit from both the Northwest and Shelton Road Wastewater Treatment Plants. This is for a twelve (12) month contract with the option to extend the contract for four (4) additional successive twelve (12) month periods for up to a cumulative total of sixty (60) months.

BACKGROUND:

The Town of Collierville contracts with a private vendor to transport and dispose of sludge, screenings, and grit generated at the Northwest and Shelton Road Wastewater Treatment Plants. These materials are by-products of the wastewater treatment process and must be regularly removed and disposed of at approved facilities to maintain plant operations and comply with regulatory requirements. Based on historical production at the treatment plants, sludge and screenings removal occurs regularly throughout the year, making the contract necessary to ensure continuous and reliable waste handling services for the Town's wastewater treatment operations. On average, the Town transports and disposes of approximately 640 loads of sludge and 24 loads of screenings annually.

DISCUSSION:

On March 4, 2026, bids were opened for TC2026-18, Sludge Hauling & Disposal. The Procurement Division prepared the bid package and notified twenty-eight (28) vendors of the bid opportunity. Eight (8) vendors requested copies of the bid specifications, and four (4) bids were received.

<u>Vendor Name</u>	<u>Sludge Transportation</u>	<u>Sludge Disposal</u>	<u>Screen & Grit Disposal</u>	<u>Extra Lift & Disposal</u>
Enviro Services & Solutions LLC	\$375.00 /Trip	\$55.00 /Ton	\$4,550 /Month	\$2,675 /Each
L&T Services	\$492.00 /Trip	\$57.00 /Ton	N/A	N/A
Republic Services	\$300.00 /Trip	\$25.00 /Ton	\$273.70 /Month	\$132.61 /Each
Waste Connections of Tennessee	\$146.91 /Trip	\$21.14 /Ton	\$139.40 /Month	\$80.00 /Each

Waste Connections of Tennessee submitted the lowest apparent responsive bid, with pricing of \$146.91 per trip to Quad County Landfill for sludge transportation and \$21.14 per ton for sludge disposal at the contractor's site; \$139.40 per trip for screenings and grit disposal; and \$80.00 per ton for extra lifts and disposal at either plant.

Waste Connections of Tennessee meets all requirements for submitting a properly completed bid package in the appropriate classification for this type of project. Additionally, according to the Tennessee Contractor's Licensing Board, there are no recorded complaints lodged against this contractor.

**BUDGET IMPACT:
FY 2026**

Fund	Dept.	Obj. Code	Description	Approved Line Item Budget	Previous Expenses	Proposed Expense	Budget Impact
413	52213	295	Landfill Services	\$209,478.84	\$112,449.62	Not to Exceed Available Budget	N/A
