

CITY OF COOS BAY CITY COUNCIL

Agenda Staff Report

MEETING DATE	AGENDA ITEM NUMBER
May 19, 2026	3.c

TO: Mayor Benetti, Council President DiNovo and City Councilors

FROM: Christina Teixeira, Grant Coordinator

THROUGH: Nichole Rutherford, City Manager

ISSUE: Consideration to Accept the Bay Area Sportsman's Association Grant and Adopt Resolution 26-11 Making Appropriations.

SUMMARY:

The City of Coos Bay has been awarded a \$2,000 grant from the Bay Area Sportsman's Association (BASA) to support the Empire Boat Ramp Debris Boom Replacement Project. Acceptance of the grant and adoption of Resolution 26-11 are required to appropriate the unforeseen grant revenue in compliance with Oregon Local Budget Law.

ACTION REQUESTED:

If it pleases Council, accept the Bay Area Sportsman's Association Grant in the amount of \$2,000 and adopt Resolution 26-11 appropriating the grant funds.

BACKGROUND:

The Empire Boat Ramp Debris Boom Replacement project will replace aging infrastructure that helps capture and control floating debris near the launch facility, improving boater access, safety, and ongoing site maintenance. The Bay Area Sportsman's Association has generously awarded the City \$2,000 toward this effort. These funds will directly offset local project costs and reduce the amount of required match funding otherwise needed to complete the project. The project is also being pursued with additional outside funding sources, maximizing local resources while improving a valued public boating access facility.

Because these funds were not anticipated during the adoption of the FY 2025-26 budget, Oregon Revised Statute 294.338(2) requires the City Council to appropriate the grant funds by resolution. Similar appropriation actions have been previously taken by Council for other grant awards.

BUDGET IMPLICATIONS:

Adoption of this resolution will increase appropriation authority according to Local Budget law requirements.
