ISSUE: Consideration of Approval of Proclamation Celebrating Women's History Month

SUMMARY:

Women's History Month encourages reflection on the remarkable impact of women throughout time and celebrates their roles in shaping societies worldwide, fostering inspiration and empowerment for current and future generations.

ACTION REQUESTED:

If it pleases Council, approve the proclamation declaring March as Women's History Month.

BACKGROUND:

President Jimmy Carter issued the first presidential proclamation declaring the week of March 8, 1980, as National Women's History Week. The event continued to evolve, and in 1987, the National Women's History Project successfully petitioned Congress to designate the entire month of March as Women's History Month. Since then, it has become an annual observance, celebrating and recognizing the achievements and contributions of women throughout history.

BUDGET IMPLICATIONS:
