### Summary

The City of Corcoran previously entered into a Joint Power Agreement with the City of Medina related to the Hackamore Road Improvements project.

As part of that agreement, Medina functioned as the Owner of the project and handled all contract administration items.

Medina has submitted a final payment invoice related to Corcoran's cost share in the amount of \$292,460.38.

### Financial/Budget

The Joint Powers Agreement outlined cost allocations for the street improvements with responsibility split 50/50 between Corcoran and Medina.

Hackamore Road is an eligible Municipal State Aid route; therefore, staff recommends authorizing WSB consultants to prepare a MSA Construction fund draw request not to exceed \$292,460.38 (after reconciliation of Fund 419 - Hackamore).
