REQUEST FOR BOARD ACTION

Date of Meeting: May 19, 2025

10.A. Mecklenburg County Voluntary Agricultural District

To: Mayor Washam and Commissioners

From: Wayne Herron, Deputy Town Manager

Action Requested:
On March 3, 2025, Mecklenburg County Staff presented the concept of the Voluntary Agricultural District to the Town. This is a program to be administered through Mecklenburg County to allow active farms to voluntarily join and be publicized through the program. If the farm is located in the ETJ, no Town permission is needed, but if the farm is located in the corporate limits, State law requires the attached Memorandum of Understanding between the County and the Town. Adoption of the MOA also allows the Town to have a seat on the Mecklenburg County Voluntary Agricultural District Advisory Board.

Manager's Recommendation:
Approve a Voluntary Agricultural District Memorandum of Understanding as presented.
