REQUEST FOR BOARD ACTION

Date of Meeting: September 15, 2025

11.A. Participation in the National Opioids Secondary Manufacturers Settlement

To: Mayor Washam and Board of Commissioners

From: Wayne Herron, Deputy Town Manager

Action Requested:
A new proposed national opioids settlement (Secondary Manufacturers Settlements) has been reached with eight opioids manufacturers: Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus. This is another in a series of national settlements that has occurred with other defendants. With each settlement, all counties and municipalities may participate in the settlement. The municipalities of Mecklenburg County have historically participated in the settlement and pledged all settlement funds to Mecklenburg County for use in existing opioid addiction prevention and treatment programs for Mecklenburg County residents. The Town has the ability to participate in the same manner with the Secondary Manufacturers settlement.

Manager's Recommendation:
Participate in the new national opioid settlement with Secondary Manufacturers, providing authority to the Town Manager and Town Attorney to finalize the terms and conditions and execute & submit participation form.
