10.A. 2024 Charlotte-Mecklenburg County Emergency Operations Plan Update

To: Mayor and Board of Commissioners

From: Andrew Grant, Town Manager

Action Requested:
This Charlotte-Mecklenburg Emergency Operations Plan was developed through consultation with all local entities and the effort was facilitated by the Charlotte-Mecklenburg Emergency Management department and fulfills the State of North Carolina's requirement for each political jurisdiction to prepare and keep current plans to respond to disasters or large-scale emergencies. It also incorporates the National Incident Management System (NIMS) as the standard for emergency response operations which has been adopted by the City of Charlotte and Mecklenburg County. The plan also establishes the overall roles and responsibilities and the concept of operations for the management of emergency or disaster incidents within Mecklenburg County, the City of Charlotte and the six towns.

Manager's Recommendation:
Approve the 2024 Charlotte-Mecklenburg County Emergency Operations Plan as presented.
