

# REQUEST FOR BOARD ACTION

Date of Meeting: April 20, 2026

## **11.A. North Carolina Municipal Power Agency 1 - Project Power Sales Agreement and Supplemental Power Sales Agreement**

**To:** Mayor and Board of Commissioners

**From:** Andrew Grant, Town Manager

### **Action Requested:**

The Town is a member of NC Municipal Power Agency 1 (NCMPA1), which is one of the entities that owns the Catawba Nuclear Plant. As such, NCMPA1 member entities are parties to agreements that govern the purchase of electricity from the Catawba Nuclear Plant and supplemental electricity supplies, in addition to the responsibilities for capital projects, maintenance, and decommissioning costs. The current agreements are set to expire (2028 for the Supplemental Power Sales Agreement and 2033 for the Project Power Sales Agreement). The proposed amended and restated agreements will extend both agreements to 2043.

### **Manager's Recommendation:**

Approve the Ordinance as presented and authorize the execution and delivery of an amended and restated Project Power Sales Agreement with North Carolina Municipal Power Agency Number 1 and an amended and restated Supplemental Power Sales Agreement with North Carolina Municipal Power Agency Number 1.
