REQUEST FOR BOARD ACTION

Date of Meeting: February 3, 2025

8.A. FY26 Budget Public Comment Session

To: Mayor and Board of Commissioners

From: Andrew Grant, Town Manager

Action Requested:

At the beginning of each annual budget development process, the Town holds a Budget Public Comment Session to allow citizens an additional way to formally provide their input to the Town Board and Town Management. This coincides with the Citizen Budget Survey. Citizens can also provide budget-related input during any public comment period of any regular Town Board meeting. The Budget Public Comment Session provides an opportunity for influencing the budget process before the draft budget has been developed.

Manager's Recommendation:
Hear public comments.
