REQUEST FOR BOARD ACTION

Date of Meeting: July 15, 2024

10.B. Capital Project Ordinance Amendment - Electric Substation

To: Mayor and Board of Commissioners

From: Julie Niswonger, Finance Director

Action Requested:
This is the first Capital Project Ordinance amendment for the Electric Substation. The amount for this amendment is $2,112,500, and the funding source is a transfer from the Electric Fund Fund Balance which was budgeted as part of the FY 25 Electric Fund Budget. The Electric Substation is currently under construction, site work is nearing completion, and materials will be arriving over the remainder of this calendar year.

Manager's Recommendation:
Approve an Ordinance amending the Electric Substation Project.
