REQUEST FOR BOARD ACTION

Date of Meeting: March 16, 2026

11.B. Code of Ordinances Amendment - Title 9, Chapter 92, Section 92.27(A) Expand Designated Places of Public Entertainment

To: Mayor Bilodeau and Board of Commissioners

From: Wayne Herron, Deputy Town Manager

Action Requested:
Consider amending Chapter 92.27(A) of the noise ordinance to expand the definition of "designated areas" for places of public entertainment to include the Cain Center, Cain Center Ceramic Studios, and Mills Market development along Catawba Ave in Old Town Cornelius. These sites are located in standalone conditional zoning districts, and therefore exempt from the current list of designated areas. The purpose of this expansion is to apply the same noise standards to these sites as other entertainment-oriented uses.

Manager's Recommendation:
Adopt an Ordinance to amend Chapter 92.27(A) of the Code of Ordinances as presented.
