REQUEST FOR BOARD ACTION

Date of Meeting: May 18, 2026

12.C. Code of Ordinances Amendment - Title 5, Chapter 50 Electricity

To: Mayor and Board of Commissioners

From: Andrew Grant, Town Manager

Action Requested:

The Town owns and operates an electric utility. Effective July 1, 2026, the Town will provide billing & collections functions in-house with Town staff, and will contract with ElectriCities to provide line & service functions. Proposed for adoption is an electric utility ordinance that will formalize the authority provided to the Town Manager to establish operating procedures, such as customer service policies, and for the Town Board to establish rates & fees.

Manager's Recommendation:
Approve an Ordinance to amend Title 5, Chapter 50 - Electricity of the Code of Ordinances.
