

AGENDA - October 15, 2026

FIRST READING

5.1 Approve Board Policy and Administrative Regulation 5142.04: Bicycles and E-bikes

Department/Category: DISTRICT ORGANIZATION AND BOARD OPERATION

Background Information:

Reports:

Staff is presenting Board Policy 5142.04: Bicycles and E-bikes is a new, locally developed policy that establishes comprehensive guidelines to promote safe, sustainable transportation while maintaining a secure environment for the school community. The guidelines included in the policy reflect current district practices and the creation of this policy serves as a commitment by the Board to promote the safe and responsible operation of bicycles and E-bikes by students.

Financial Impact:

None.

Superintendent's Recommendation:

No action is required as this is a first reading.
