**AGENDA SECTION:**

CONSENT AGENDA

**BACKGROUND/SUMMARY:**

The original contract with Consor North America Inc., previously known as Quincy Engineering Inc., was awarded to provide project management services, prepare plans, specifications, and estimates (bid documents), in accordance with Caltrans Design Standard and Specifications, and to provide environmental services to obtain environmental clearance under both the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA), and to obtain all necessary permits from the Local, State and Federal regulatory agencies for the replacement and construction of the new Panoche Road Bridge No. 43C-0027 at Tres Pinos Creek Crossing.

This amendment includes scope changes such as the evaluation of channel velocities for the sizing of Rock Slope Protection (RSP) in a small, un-named tributary to the Tres Pinos Creek, required for the preparation of a Location Hydraulic Report and Hydraulic Design Report, final approach roadway design, and additional Right-of-Way Engineering and Staking, for an additional amount not to exceed \$49,884.50, for a total contract value not to exceed \$1,491,610.83, and extending the term of the

contract three years, to expire June 30, 2028.
