CONSENT AGENDA

BACKGROUND/SUMMARY:

AB 109 (chaptered on April 4, 2011) and AB 117 (chaptered on June 30, 2011), collectively known as the Public Safety Realignment Act of 2011, added Penal Code Section 1230.1, requiring the local Community Corrections Partnership (CCP) to develop and recommend a public safety realignment plan to the county Board of Supervisors (BOS). The plan is intended to maximize the effective investment of criminal justice resources with evidence-based correctional sanctions and programs. The CCP may establish an Executive Committee (EC) of the local partnership to act as the voting authority within the CCP. The membership of the CCP is identified in statute as the following:

1. Chief Probation Officer (Chair)
2. Presiding Judge of the Superior Court or his/her designee
3. A County Supervisor or the Chief Administrative Officer for the County or a designee of the Board of Supervisors
4. District Attorney
5. Public Defender
6. Sheriff
7. A Chief of Police

8. Head of the County Department for Social Services
9. Head of the County Department of Mental Health
10. Head of the County Department of Employment
11. Head of the County Alcohol and Substance Programs
12. Superintendent for the County Office of Education
13. A representative from a community-based organization with experience in successfully providing rehabilitative services to persons who have been convicted of a criminal offense
14. An individual who represents the interests of victims

The following bylaws are inclusive of the following for the CCP: name, authority, background, purpose, membership, EC, meetings guidelines, administrative (governing oversight), conflict of interest, budget, amendment and modifications to bylaws, CCP proposal request requirements, and proposal and contract expectations. This is the first iteration of bylaws since the inception of AB109 and will provide further structure as well define clear expectations for the CCP. Today's recommended Board action is for the CCP's Bylaws to be formally adopted as recommended and approved unanimously by the CCP Executive Committee on December 11, 2025.
