REGULAR AGENDA

BACKGROUND/SUMMARY:

The National Association of Counties (NACo) unites county leaders from across the nation to advocate for county interests, share best practices, and strengthen local government service to communities.

On January 13, the County Board of Supervisors appointed Supervisor Curro as the County's NACo Delegate and Supervisor Zanger as the alternate. In addition, the California State Association of Counties (CSAC) nominates county officials for membership on NACo Policy Steering Committees, and

CSAC has extended Supervisor Curro's appointment to the NACo Agriculture and Rural Affairs Steering Committee. The Agriculture and Rural Affairs Steering Committee focuses on legislation and policy

issues affecting agricultural county economies, rural development initiatives, and conservation and environmental programs related to agriculture. The committee also reviews platform amendments and resolutions from other steering committees that have a significant impact on rural counties.

As a County appointee, Supervisor Curro is responsible for representing and advocating for issues impacting San Benito County. As a CSAC-appointed member, Supervisor Curro is also required to attend NACo's Legislative and Annual Conferences to represent county interests and actively participate in steering committee work.

The 2026 NACo Legislative Conference brings together county officials in Washington, D.C. to discuss key federal policy issues, attend informative policy sessions, and meet with members of Congress and federal officials.

Supervisor Curro is scheduled to attend the 2026 NACo Legislative Conference in Washington, D.C., from February 19–25, 2026. Attendance is required for the CSAC appointment to the NACo Agriculture and Rural Affairs Steering Committee.

The board is requested to approve the following estimated travel expenses for reimbursement:

1. Conference Registration and Technology Innovation Forum: \$675;
2. Hotel: \$2,217, plus applicable taxes and local fees;
3. Airfare: \$306
