AGENDA SECTION:

REGULAR AGENDA

BACKGROUND/SUMMARY:

On May 13, 2025, the County of San Benito contacted multiple developers of projects with a development agreement in the County of San Benito to inform them that per Section 19.11.012 "Periodic Compliance Review" of the County of San Benito, the San Benito County Planning Commission will be conducting a periodic compliance review of the Development Agreement. To facilitate the review, the county requested all information and documents from the developer's ascertaining compliance with the development agreement. Anderson Homes provided the attached periodic compliance packet for the development agreement by and between the County of San Benito and Santana Ranch Landowners dated November 2, 2010, for the Santana Ranch development.

The Santana Ranch development agreement includes the development of a maximum of one thousand ninety-two (1,092) residential units (consisting of approximately 774 single-family units and approximately 318 residential multiple units), a maximum of one hundred and six thousand (106,000) square feet of neighborhood commercial land uses, reservation of a site anticipated to consist of eight to twelve acres for purposes of an elementary school to serve approximately seven hundred (700) students; approximately eighteen (18) acres of parks; and additional park and recreational facilities including a pedestrian and bicycle network throughout the property.

Per Section 19.11.012(B) of the San Benito County Code, the developer shall be given the opportunity to be heard orally or in writing regarding performance under the agreement. If the Planning Commission finds the developer to be in full compliance with all terms and conditions of the agreement, it shall adopt a written resolution certifying compliance with the development agreement through the applicable period of review. If the Planning Commission finds that good faith compliance with all terms and conditions of the agreement has not been demonstrated, the Commission shall refer the matter along with its recommendation to the Board of Supervisors.
