CONSENT AGENDA

BACKGROUND/SUMMARY:

National Library Week is observed each April to celebrate and highlight the vital role that libraries, librarians, and library workers play in strengthening communities. From April 6-12, 2025, the San Benito County Free library will join libraries across the nation in celebrating National Library Week and its theme "Drawn to the Library!". Our library serves as more than a place to borrow books; it is a community hub, connecting people to essential resources and fostering lifelong learning. Library programs such as our Adult Mystery Book Club, Roblox Club, Knitting Club, Storytimes, and Literacy Services support engagement, learning, and social connection among patrons. In addition to in-person services, the library provides a wide array of online resources to ensure that information and learning remain accessible to all. A full calendar of programs during April is available at the library and on our social media pages.
