**AGENDA SECTION:**

CONSENT AGENDA

**BACKGROUND/SUMMARY:**

Pursuant to California Government Code sections 50050-50057, any individual amount of fifteen dollars (\$15) or more which remain unclaimed in the treasury or custody of the local agency for more than three years is subject to publication. After expiration of the three-year period, the Treasurer may publish notice once a week for two successive weeks in a newspaper of general circulation. If the money is not claimed, or if no verified complaint is filed and served within the statutory period after publication, the money becomes the property of the local agency. Government Code section 50053 further authorizes the legislative body to transfer such unclaimed money held in a special fund to the General Fund once it becomes the property of the local agency.

The Treasurer has completed the required statutory review and publication process, publishing notice on July 11 and 18th, and confirmed that the items remain unclaimed, and identified the qualifying checks. The Treasurer now respectfully requests Board authorization to transfer the unclaimed checks listed, totaling \$64,438.98, to the General Fund.

**FISCAL IMPACT:**

Transfer of \$64,438.98 in unclaimed funds to the General Fund.

**STAFF RECOMMENDATION:**
