**Agenda Item
Regular Meeting of the
Board of Supervisors
Tuesday, January 13, 2026**

Item Number: 2.13

MEETING DATE: 01/13/2026

DEPARTMENT: RESOURCE MANAGEMENT AGENCY

AGENDA ITEM PREPARER: Steve Loupe

DEPT HEAD/DIRECTOR: Steve Loupe

SUBJECT:

RESOURCE MANAGEMENT AGENCY/PUBLIC WORKS- S. LOUPE

1. Approve Amendment #4 with TRC Engineers, Inc. to perform on-call design and engineering services for multiple ongoing bridge projects, including production of the Cienega Road (Mudstone Ranch to Bird Creek) design construction documents, in an amount not to exceed \$465,667.00, for a total amount not to exceed \$2,984,943.00, and extend the term of the contract to December 31, 2027; and
2. Authorize Chair, County Administrative Officer, or designee to sign the contract.

SBC FILE NUMBER: 105

AGENDA SECTION:

CONSENT AGENDA

BACKGROUND/SUMMARY:

In an ongoing effort to review our consultant contracts, recently the Resource Management Agency Department released a Request for Qualifications for on-call engineering services. These companies provide specific technical knowledge and abilities that we currently do not have. Many of our improvement programs and grant opportunities are directly linked to the ability that this arrangement provides. The Resource Management Agency released RFQ No. PW2021-002 for qualified engineering consultants to provide the County with On-Call Engineering services for projects that may include, but are not limited to, road reconstruction, road widening, bridge replacement, bridge rehabilitation, bike/multipurpose paths, traffic signal design, traffic calming, hydraulic analysis, material testing, geotechnical investigations, surveying, and the preparation/performance of public infrastructure reports and studies. These services are being funded through various State and Federal grant programs, SB1, Measure G, and Benefit Fees.

RMA received 16 qualified proposals and completed the consultant selection process. As a result RMA

selected the following five (5) consultants to execute contracts with the County:

Kimley-Horn and Associates, Inc.
TRC Engineers, Inc.
MME Civil + Structural Engineering
Wallace Group, A California Corporation
San Benito Engineering & Surveying, Inc.

The additional design and engineering support services pertinent to this amendment are as follows:

Cienega Road Rehabilitation Project = 190,017.00: The scope of work includes preparing the final Plans, Specifications and Estimate (PS&E) construction documents to repair Cienega Road using either full depth reclamation (FDR) or partial depth reclamation (PDR) along the entire roadway from Mudstone Ranch to Bird Creek including road repair and drainage solutions. Additional services include support during the bidding process and design support during construction of the roadway.

County HBP (Bridge) Program Assistance = 275,650.00: TRC's subconsultant, BRG Engineering, will assist County staff with project implementation and administration to deliver County's Federal Highway Bridge Program projects through construction. Provide comprehensive coordination and support during all project development phases from preliminary engineering through construction and project closeout. They are currently providing engineering support services for seven bridges.

FISCAL IMPACT:

G/L code, bridge support services: 210.70.2020.1211.650.201
G/L code, Cienega Road design services: 210.70.2275.1000.650.201

STAFF RECOMMENDATION:

1. Approve Amendment #4 with TRC Engineers, Inc. to perform on-call design and engineering services for multiple ongoing bridge projects, including production of the Cienega Road (Mudstone Ranch to Bird Creek) design construction documents, in an amount not to exceed \$465,667.00, for a total amount not to exceed \$2,984,943.00, and extend the term of the contract to December 31, 2027; and
2. Authorize Chair, County Administrative Officer, or designee to sign the contract.
