AGENDA ITEM PREPARER: Ramesh Pandurangan

DEPT HEAD/DIRECTOR: Deems Katada

SUBJECT:

RESOURCE MANAGEMENT AGENCY/PUBLIC WORKS - D. KATADA

1. Approve Amendment # 5 with Kimley Horn and Associates, Inc., to extend the contract term through June 30, 2027 to provide On-Call Civil Engineering Consulting Services for various projects including Carr Avenue Bridge Replacement, Fairview/Comstock Intersection, Fairview/Fallon Intersection, and Union Road Rehabilitation; and
 2. Authorize the Chair, County Executive Officer, or designee to approve the said Contract Amendment.
- SBC FILE NUMBER: 105.3

AGENDA SECTION:

CONSENT AGENDA

BACKGROUND/SUMMARY:

On July 1, 2021, the County entered into a contract with Kimley Horn and Associates Inc. in an amount not to exceed \$1,000,000.00, to provide On-Call Engineering services for projects that may include, but are not limited to, road reconstruction, road widening, bridge replacement, bridge rehabilitation, bike/multipurpose paths, traffic signal design, traffic calming, hydraulic analysis, material testing, geotechnical investigations, surveying, and the preparation/performance of public infrastructure reports and studies. The first contract amendment was executed on April 6, 2022 to update the billing rates for the contract, but the overall budget was not increased. The second contract amendment was executed on December 13, 2022, to add \$849,000.00 to the overall budget. The third amendment pertained to the design of Union Road and to the design of two signalized intersections along Fairview Road for an additional amount of \$1,214,900.00. The fourth amendment pertained to the engineering and construction support services for projects that were approved by the Board of Supervisors in the FY 23/24 budget. Consequently, additional engineering budgets were required to complete the design of

those projects. Amendment # 4 was in an additional amount not to exceed \$301,442.01 and for a total contract amount not to exceed \$3,365,342.01. Kimley-Horn advanced the Carr Avenue Bridge project through Phase 1 that included the analysis and preparation of a Bridge Strategy Report that identified a suitable replacement structure that was comprised of precast concrete girders with a concrete deck and support the environmental document that was being prepared by another consultant. This bridge, per the county's instructions, is a length that will allow for it to be eligible for future federal funding as part of the Bridge Preventative Maintenance Program (BPMP) and has the abutments located behind the top of the exiting channel. This amendment # 5 is to extend the timeline of the project for another 1-year term until 06/30/2027 with no changes to cost or scope of the original contract.

Projects covered under this contract:

1. Carr Avenue Bridge Replacement Project,
2. Fairview / Comstock Intersection Project,
3. Fairview / Fallon Intersection Project,
4. Union Road Rehabilitation Project

FISCAL IMPACT:

There is no financial impact.

Budget Line Item # 210702270xxx619.220 (various consulting engineering road costs)

STAFF RECOMMENDATION:

1. Approve Amendment # 5 with Kimley Horn and Associates, Inc., to extend the contract term through June 30, 2027 to provide On-Call Civil Engineering Consulting Services for various projects including Carr Avenue Bridge Replacement, Fairview/Comstock Intersection, Fairview/Fallon Intersection, and Union Road Rehabilitation; and
2. Authorize the Chair, County Executive Officer, or designee to approve the said Contract Amendment.
